Far-Left Militia in Columbia, S.C. Advocates the Use of ‘Deadly Force’ Against Law Enforcement

By Debra Heine • July 29, 2020

A far-left, Antifa-supporting paramilitary group in Columbia, SC, openly advocates the use of “deadly force” against law enforcement personnel to “protect the people” from what they call government “tyranny.”

In a recent Facebook post, the militia group, Civil Defense Corps, suggested that federal agents should be shot in the face, Far Left Watch has learned.

Academic Elitists Have Invented A New Way To Rig Voting In The Future

May 24, 2019 by IWB

The founders sought to solve the problem of regional manipulation in Presidential elections through the Electoral College, which assigned “points” (electoral college votes) to each state according to population levels. This turned voting for presidents into a kind of game, whereby candidates could use strategy to campaign in certain states to effectively secure more points than their opponents. It removed the dominance of major population centers as a factor and made it possible for rural voters to gain an upper hand over metropolitan voters.
